## Vision & Applicant Understanding

The St. Catharines Club is a welcoming community where personal and professional relationships are nurtured, and where innovation, diversity and networking is encouraged.

The St. Catharines Club serves as its members' second home and office away from the workplace. Members come together to share their ideas and opinions on life, business and community. The St. Catharines Club encourages its members to be active and engaged citizens. Through ongoing networking and social events, members cultivate long-lasting relationships in Canada and, through a network of reciprocal clubs, around the world.

The members of the St. Catharines Club share the following vision and principles:

- The St. Catharines Club does not discriminate against any person because of race, colour, sex, sexual orientation, gender identity, religion, national origin, ancestry, age, disability, marital status, or domestic partner status.
- The St. Catharines Club is a not-for-profit organization that requires the active involvement of all its members.
- In compliance with the Accessibility for Ontarians with Disabilities Act, The St. Catharines Club is committed to excellence in serving all members and guests including people with disabilities.

I \_\_\_\_\_ understand and agree the above vision and principles.
